## YOUNGA Digital Badges with GetSmart Tokens

Join us in shaping the future and leaving a lasting global legacy. With your support, **YOUNGA®** aims to educate, empower, and equip **20,000 future-ready, sustainability-focused young leaders by 2030.**

By using GetSmart Token's blockchain technology and gamification, YOUNGA can now turn your donation—in dollars or cryptocurrency—into direct benefit to its Youth Delegates taking action for positive change.

With your help, underrepresented and underserved youth accepted into the YOUNGA program can earn the world's first tokenized micro-credentials. You can watch your fully tax-deductible donation be applied in real time by following the badge QR code. Whenever a Youth Delegate receives a badge and tokens from YOUNGA, you'll know exactly where every bit of your donation goes.

### Your Donation will help Youth Delegates:

- Shape policy discussions and advocate for the hopes, concerns and ideas of young people globally
- Receive free access to expert-led leadership and advocacy training
- Get first-rate virtual access to world leaders, decision-makers and celebrity advocates through interactive sessions to share your ideas and get your questions answered
- Gain tangible career and entrepreneurship advice to start up, implement and scale project impact
- Get exposure to networking, skills enrichment and collaborative opportunities
- Join a supportive community of passionate, like-minded young changemakers across 180 countries
